18th December 2023

Dear Parents/Carers

This week the children will be bringing home little gifts from all the staff in Year 1 as a 'thank you' for a fantastic term. Please note that inside you will find some Maths and English activities that your child may choose to complete over the Christmas break - but are NOT compulsory. The homework books will remain in class until January.

The children will also bring home their PE kits this week and they must be returned to school on the first day back. Unfortunately, we are accumulating a collection of PE items in class that have not been labelled and cannot be returned to their rightful owner, so there is a high chance your child will come home with incomplete PE kit. Can I please remind parents that all school uniform should be clearly labelled to avoid staff members having to spend time locating misplaced items.

Can I also stress to parents the importance of children not bringing any valuable items to school as they can get lost or damaged.

At this time of the year the children will inevitably contract a cold or cough and it's up to a parent to decide if the child is well enough to attend school. The staff are not always in a position to monitor the condition or temperature of every child throughout the day or assess if your child should be sent home.

I hope you all have a wonderful Christmas break and we look forward to seeing you in January.

Kind Regards

Mrs J Pettet and Year 1 Team
