Dear Parents/Carers

Well-Being and SEN Drop-In Sessions

Wednesday 27th September 8:15am-3:00pm

I will be holding a Well-Being and SEN Drop-In session on Wednesday 27th September between 8:15-3:00pm. This is a chance for you to book a 15 minute slot with myself, to discuss your child's needs. The drop-in sessions are open to all parents, regardless of whether your child already has an identified need or Education, Health and Care Plan. (This is not a general parents' evening appointment).

For those parents with children with identified needs or an EHCP, it is a chance for me to share how your child has settled and anything else we may need to do throughout this year and for you to share any questions or concerns.

For those parents who aren't sure whether your child has any additional needs, if you feel your child is struggling academically, socially, emotionally or with their behaviour, it is a chance for you to come and share those needs and see what support may be available for you.

Equally, if you have any worries around finances (including applying for free school meals or other benefits), housing, immigration issues, well-being, mental health, behaviour or any other concerns that may not directly relate to school but are affecting you as a family, then please feel free to book an appointment also to see what support might be available for you as a family.

You can either book a face-to-face appointment or it can be virtual via TEAMS. Please telephone the school office to book your 15-minute appointment. You will need to let the office know whether you want a face to face or virtual appointment. Links will be emailed on Tuesday if you would like a virtual appointment.

With Kind Regards

Mrs H Westrop

Assistant Head Teacher - Inclusion
