Dear Parents/Carers

Wednesday 22nd May is National Numeracy Day –
the UK's only day dedicated to everyday Maths

National Numeracy Day is here again! It's a day that celebrates the importance of numbers for children and adults alike, building brighter futures through confidence with numbers and inspiring everyone to improve their numeracy skills. The charity National Numeracy has teamed up with celebrities and experts to create fun and engaging activities that will get children feeling good about numbers so together, we can dance, bake and rap our way to number confidence!

We have lots of fun activities planned for the children to take part in at school including taking part in a nationwide livestreamed dance warm up with Strictly Come Dancing's Katya Jones. To make the most out of the day, children and staff are encouraged to come in dressed up in the theme of Number Heroes. From well-known mathematicians or inventors, to transforming into our favourite shapes or maths tools, or simply wearing an item of clothing with numbers on it – however you and your child choose to interpret the theme, it'll be a great way to celebrate all things numbers and maths.

Number Heroes Competition: We would like to further spark the children's imagination and conversations about using numbers and maths in their future dream jobs or hobbies by taking part in the Number Heroes Competition. The lucky winners will receive a £50 voucher for themselves, as well as a £1,000 prize bundle for our school. Entry forms to follow soon.

Please do not spend money on buying costumes as you can make your own with your child. Please see overleaf for some suggestions.

With Kind Regards

Mrs K Dhannie
Maths Lead
