

Discuss

Talk to your buddy about the shoe that you think will be the best – try to choose one between you.

Getting started

Set up a ramp.

Put two shoes on the ramp and try to find which one isn't very slippery.

Keep trying until you find the best non-slip shoe.

How can you make sure that everything is fair?

Test your ideas

Can you think of other ways to find out?

Share your ideas

Put your best shoe on the winners' podium.

Extra things to do
