

Holy Cross Catholic Primary School
Year 5 Long Term Curriculum Map
 Intent-

We provide a curriculum that is embedded within our core values to ensure our children thrive academically, spiritually, physically, culturally and emotionally to ensure they are well prepared for their next stage of education and life in the 21st century. We are committed to cultural entitlement and provide a rich and varied curriculum that motivates and engages learners through representing the diversity of our school community and offering a wide range of extra-curricular activities. Through building relationships with God and each other; we ensure our children work hard in faith and do their best in all things.
